

BESPOKE STRAIGHT STAIRLIFTS

ABOUT US

Ultimatestar Technical Services specializes in bespoke straight stairlift solutions in Dubai, providing safe, stylish, and customized accessibility systems for homes, villas, commercial spaces, and elderly care facilities. We deliver precision-engineered stairlift installations designed for comfort, reliability, and modern living.

THE SYNERGY

The **Bespoke straight stairlift** simple in its operation yet detailed in design

The Synergy's compact design has a host of hidden features allowing you to reclaim your independence at home.

Straight staircases shouldn't stop you enjoying your home.

The Synergy is a simple to use stairlift that can transform your day-to-day life.

SYNERGY

ROOM FOR OTHER USERS

The Synergy leaves as much space as possible on the stairs for other users.

The chair and footrest folds neatly against the wall allowing other stair users easy access.

ONE OF THE WORLD'S **SLIMMEST** STAIRLIFTS

The Synergy uses one of the slimmest rails in the world, making the Synergy look less obtrusive with minimum impact to your home.

COMPLETE COMFORT & CONTROL

The Bespoke Synergy straight stairlift includes many features as standard, enhancing the practicality and usability for the user and household to live with.

REMOTE CONTROL

Ergonomically designed and easy to use, remote controls are supplied with the Bespoke Synergy as standard, giving the user total control of the stairlift.

COMPLETE CONTROL

Controlling the Synergy stairlift is comfortable for all users even for those with reduced dexterity.

The ergonomically designed toggle switch is available for left and right-handed people.

SAFE & SECURE

With a simple and fully adjustable seatbelt means that you will be safely held on the seat when the stairlift is in operation, giving you added peace of mind and security.

EASY ON EASY OFF

With a gentle turn of the handle, the seat turns allowing you to get on and off the Synergy with ease and confidence.

CLEAN, CLEAR & PRECISE

Compared to other stairlift manufacturers, Bespoke includes so many simple and innovative solutions as standard, giving extra value for the customer.

PADDED SEAT

The padded seat and backrest are made from high quality machine-stitched vinyl giving the user added comfort.

REMOVABLE COVERS

The vinyl padded seat is durable ensuring minimal scuffs and marks occur.

Easy to wipe down or easily zipped-off for a deeper clean.

EASY TO UNDERSTAND

With the digital diagnostic display as standard, you can easily understand the Synergy stairlift and its status with the clear, backlit text.

This means you don't need to decipher complicated digital codes, beeps or flashing lights.

SAFETY SENSORS

The Synergy includes safety sensors and pressure plates on the footrest and carriage that will stop the stairlift if there's an obstacle on the staircase.
